Alex Example

Senior Gameplay Designer | Technical Design, Tools, Prototyping
alex@example.com | (555) 010-0199 | Springfield, USA | linkedin.com/in/alex-example

Dear Quarry Lane Studio team,

I'm applying for the Technical Designer role. This letter is fictional; it is part of the demo.

I built the course tools for Pocket Golf and a level editor plugin for game jams.

Thank you for your time.

Sincerely,
Alex Example
